

All the riches of the earth

How do Plants Grow?

Unscramble each of the clue words. Copy the letters in the numbered cells to other cells with the same number.

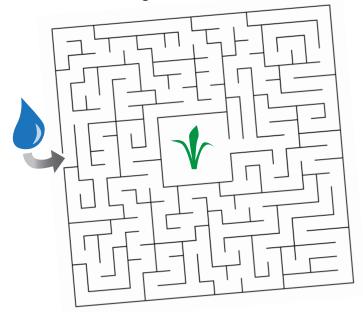

When weeding, the best way to make sure you are removing a weed and not a valuable plant is to pull on it. If it comes out of the ground easily, it is a valuable plant.

~Author Unknown

Water the Seedling!

Without water, plants can't grow. Show the water how to find the seeding.
